

# Ceramica Pintada

The unsurpassed quality and execution of our Ceramica Pintada collection is evident at first glance. Inspired by the popular Cuerda Seca technique originating in Spain, each tile is handcrafted by skilled artisans. Available in a variety of designs and a myriad of colors to complement any interior.

### RECOMMENDED USE

- Suitable for all indoor wall and flooring applications. Approved for restaurants and other medium use commercial flooring.
- Outdoor use subject to climate and method of installation
