

Mirror

The exceptionally smooth surfaces and metallic effects of Mirror porcelain tiles make them ideally suited for modern interiors - both residential and commercial. The Mirror collection is completely unique in the market and is not susceptible to the problems of cracking that accompany a glass mirror. A hit for hospitality projects, Mirror makes a particularly stunning statement in a floor to ceiling installation.

RECOMMENDED USE

- Suitable for all indoor wall application
- Not suitable for flooring
- Not suitable for outdoor use
- Caution recommended for kitchen or bathroom areas as finish may be affected where acidic substances or cleaners are frequently used
- Mirror finish may show some oxidation over time

INSTALLATION AND MAINTENANCE

- Please reference the TCNA handbook for installation of ceramic tile (www.tcnatile.com)
- Use only non-sanded grout as sanded grout may scratch finish
- Do not use epoxy or latex modified grouts as the additives may stain the tile
- Seal crackle finish with a penetrating sealer before after grouting
- Clean with PH neutral mirror or glass cleaners and buff with soft cloth
- Use sharp diamond blades for cutting to avoid chipping
