

St Petersburg

This smooth limestone creates a clean, soft feel with cream coloring and grey striations. Other characteristics include a marked density, straight edge honed finish and a unique cleft field.

RECOMMENDED USE

- Suitable for all indoor wall and flooring applications.
- Outdoor use subject to climate and method of installation.
- Please see Ann Sacks slip resistance and wet flooring application statement to determine usage in a wet area

INSTALLATION AND MAINTENANCE

- Please reference the TCNA handbook for installation of glass tile, ceramic tile and stone tile (www.tcnatile.com)
- A grout joint of 1/16" or greater is recommended
- Always lay out material prior to installation to properly blend and balance color
- It is recommended to seal natural stone with a penetrating sealer
- Periodic cleaning and resealing is recommended using products formulated for natural stone
