

# Crema Marfil Alba

ANN SACKS offers the most beautiful selection of Crema Marfil Alba, thought to be the most sought after stone from Spain. Warm creamy beige coloration with beautiful veining and soft white marks characterize this stone. Perfect for traditional and contemporary settings alike, this classic stone is sure to be a timeless addition to any installation.

## RECOMMENDED USE

- Suitable for all indoor wall and flooring applications.
- Outdoor use subject to climate and method of installation.
- Please see Ann Sacks slip resistance and wet flooring application statement to determine usage in a wet area

wall

floor

high-traffic

freeze/thaw

## INSTALLATION AND MAINTENANCE

- Install per industry standards for natural stone.
- Always inspect material prior to installation; installed material cannot be accepted for return or credit.
- Always lay out material prior to installation to properly blend and balance color.
- This program has an acrylic resin fiberglass mesh backing applied with an epoxy resin and may require an epoxy modified thinset adhesive.
- It is recommended to seal natural stone with a penetrating sealer.
- Periodic cleaning and resealing is recommended using products
