

Martyn Lawrence Bullard Eastern Promise

Handcrafted in Morocco, Eastern Promise by Martyn Lawrence Bullard is an updated version of the softly honed tiles that flavor the Moroccan landscape, and heralded the world over for its coveted colors and remarkable patterning. Lawrence Bullard draws inspiration not only from his travels, but from his love of the modern interpretations that were made so prevalent in 20th century design.

Product Usage Recommendations

- Suitable for indoor wall and flooring applications. Outdoor use subject to climate and method of installation.
- Caution recommended for use in wet areas such as pools or fountains as may cause efflorescence.
- Caution recommended for kitchen or bathroom areas as finish may etch where acidic substances or cleaners are frequently used and may be susceptible to oil staining.

Installation and Maintenance Guidelines

- Install per manufacturers' installation instructions.
- Always inspect material prior to installation; installed material can not be accepted for return or credit.
- Always lay out material prior to installation to balance color and tonal variation.
- It is recommended to seal with a penetrating sealer before and after grouting. Traditional wax applications may also be considered.
- Periodic cleaning and resealing is recommended, using products formulated for concrete.
