

Beau Monde Glass

Expanding on our ever popular Beau Monde stone mosaic program, we are now offering a variety of beautiful patterns in exquisite art glass. Produced by water jet and fabricated with meticulous attention to detail, Beau Monde Glass is an exciting addition to our glass mosaic category.

RECOMMENDED USE

- Suitable for indoor wall applications

INSTALLATION AND MAINTENANCE

- Install per industry standards for glass mosaics
- Sheeted repeat sections will fit together in an interlocking pattern
- Patterns face mounted on clear Mylar sheets. This means nothing comes between the glass and adhesive to compromise the integrity of a secure bond
- Can be installed using standard thinset application. Use white thinset for light or translucent glass
- Test grout color for client approval. Non-sanded grout is recommended
