

Terrazzo Renata

Terrazzo Renata brings the beauty of old Italy terrazzo, which means “terrace” in Italian, into the homes of today. Throughout Italy you will find versions of these tiles in palazzos and casas alike and lending rustic charm to village walkways and gardens since the 15th century. Terrazzo Renata includes marbles from the famed Carrara mountains, its stone combination selected for its fine variation in size, composition and coloration.

residential floor

INSTALLATION AND MAINTENANCE

- Install per manufacturers installation instructions
- Always inspect material prior to installation, installed material cannot be accepted for return or credit
- Always lay out material prior to installation to properly blend and balance color
- It is recommended to seal natural stone with a penetrating sealer
- Periodic cleaning and resealing is recommended using products formulated for natural stone. Please reference the manufacturers maintenance recommendations for chemicals to avoid.
- The use of acidic or highly alkaline detergents can damage the surface of the marble, please reference the manufacturers maintenance recommendations for chemicals to avoid

Terrazzo Renata contains 28% pre-consumer recycled content and is LEED v4 certified
