

Charles Stone

Charles Stone marries technology with beauty in this new program exclusive to ANN SACKS. A composite material made of concrete, plaster, polymer blends and other proprietary ingredients allows Charles stone to mimic any texture. Able to pick up the most subtle nuances, Charles Stone takes on the appearance of Shagreen, Gesso Crackle, and even Shantung silk with striking accuracy.

Product Usage Recommendations

- Shagreen - suitable for interior and exterior walls and floors. Wet area okay if base sealer is applied and maintained.
- Gesso Crackle and Hexagonal Silk - suitable for interior walls. Wet areas okay if water based sealer is applied and maintained.

Installation and Maintenance Guidelines

- Install per manufacturers installation instructions.
- Use water based sealers only. The use of solvent based sealers may compromise the hand applied finish.
- Clean with mild, non acidic cleaners. For floors, product should be vacuumed for general maintenance.

Collection

Designs:

Gesso Crackle 24" x 24" (special order only)
Hexagonal Silk 15 ³/₄" x 23 ⁵/₆" (special order only)
Shagreen 24" x 24"

*Please note: variations in color, shade, surface texture and size are natural characteristics of all our products and should be expected. Images shown are representative, but may not indicate all variations in these characteristics.
