

Athens Silver Cream

Athens Silver Cream is a neutral stone that is anything but plain. This attractive light cream marble is characterized by a threadlike striated patterning that is delicate, yet distinguishing. A comprehensive assortment of field sizes, slab, trim and mosaics allows for flexible design choices.

RECOMMENDED USE

- Suitable for indoor wall and flooring applications
- Striated finish only suitable for wall applications.
- Outdoor use subject to method of installation, material not affected by freeze/thaw
- Please see Ann Sacks slip resistance and wet flooring application statement to determine usage in a wet area

INSTALLATION AND MAINTENANCE

- Please reference the TCNA handbook for installation of stone tile (www.tcnatile.com)
- Always lay out material prior to installation to properly blend and balance color
- It is recommended to seal natural stone with a penetrating sealer
- Periodic cleaning and resealing is recommended using products formulated for natural stone
