BIANCA HELENA JOINS THE ANN SACKS FAMILY OF MARBLES

PORTLAND, Ore. (July 1, 2015) – Another surprising find from ANN SACKS is Bianca Helena, a softly honed marble featuring an understated white to gray face and multiple shades of deep grey veining that travel from slight to robust across the surface. Classic and refined, Bianca Helena provides to ANN SACKS a tile with unique characteristics and the much sought after gray coloration so in vogue at the moment. Coupled with its extremely competitive price point, it at once became a marble of choice at the company.

Perfect for all indoor and outdoor installations, depending upon climate and method of installation, Bianca Helena is offered in 16" x 16" and 12" x 24" field tiles and a 30" x 72" slab. Sealing with a penetrating sealer at the time of installation and periodic cleaning and resealing is recommended.
