

Union

Union is a unique mosaic series that marries porcelain tile with stone detail offering a creative alternative for walls and flooring. Union is comprised of a range of porcelain and stone options from which to choose allowing for a personalized approach to fit any decor. INSTALLATION AND MAINTENANCE

- Install per industry standards for stone mosaics
- Sheeted repeat sections will fit together in an interlocking pattern
- Designs are face mounted on clear Mylar sheets. This means nothing comes between the stone and adhesive to compromise the integrity of a secure bond
- Can be installed using standard thinset application. Use white thinset for light or translucent stones.
