

Selvaggio

Selvaggio is a stunning and graphic stone mosaic that is created by taking shards of stone and artfully combining them to create beautiful patterning. Graphic and dramatic, Selvaggio (which means “wild” in Italian) is a stunning addition to both walls and floors. It combines beautifully with many ANN SACKS stones. It can be extremely versatile and can be used as field tile or can be cut into a border to compliment any stone.

Straight Mosaic in Athens

INSTALLATION AND MAINTENANCE

- Please reference the TCNA handbook for installation of stone tile (www.tcnatile.com)
- Always lay out material prior to installation to properly blend and balance color
- It is recommended to seal natural stone with a penetrating sealer
- Periodic cleaning and resealing is recommended using products formulated for natural stone
