RECOMMENDED USE

- Suitable for all indoor wall and flooring applications
- Suitable for installation on shower walls
- Suitable for high-temperature areas such as behind ranges and fireplace surrounds
- Outdoor use subject to climate and method of installation
- Please see Ann Sacks slip-resistance and wet flooring application statement to determine usage in a wet area

INSTALLATION AND MAINTENANCE

- Install per industry standards for natural stone
- Always inspect material prior to installation — installed material cannot be accepted for return or credit
- Always lay out material prior to installation to properly blend and balance color
- As some white marbles have been known to yellow when they come in contact with epoxy, we advise against installing this marble with epoxy grout and/or adhesives or cleaning with epoxy removing cleaners in order to eliminate the potential for yellow discoloration
- It is recommended to seal natural stone with a penetrating sealer
- Periodic cleaning and resealing is recommended using products formulated for natural stone
