

Amica

Depicting the look of natural stone, Amica is made in Italy using an innovative, sustainable process. Created from 60% pre-consumer recycled content such as quartz and granite recovered from Italy's stone quarries, the stone powder mix is combined with colored pigments, recycled water, and cement to create a uniquely textured material. The mix is cold-pressed and left to dry and harden naturally, eliminating the use of gas-fired kilns.

10"x10" in Grigio

RECOMMENDED USE

- Suitable for indoor and outdoor wall and flooring applications, including commercial
- Suitable for installation on shower walls and floors
- Suitable for high-temperature areas such as behind ranges and fireplace surrounds
- Outdoor use subject to climate and method of installation
- Testing data available upon request
- Please see Ann Sacks slip-resistance and wet flooring application statement to determine usage in a wet area

wall floor shower wall outdoor

INSTALLATION AND MAINTENANCE

- Install per manufacturer's installation instructions
- Always inspect material prior to installation — installed material cannot be accepted for return or credit
- Always lay out material prior to installation to properly blend and balance color
- This product is pre-sealed with a water-based sealer
- Cannot be grouted with Bostik urethane grout
- Periodic cleaning and resealing is recommended when using products formulated for natural stone
- Please reference the manufacturer's maintenance recommendations for approved cleaning products

Amica contains 60% pre-consumer recycled content
