

Selvaggio

Selvaggio is a stunning and graphic stone mosaic that is created by taking shards of stone and artfully combining them to create beautiful patterning. Graphic and dramatic, Selvaggio (which means “wild” in Italian) is a stunning addition to both walls and floors. It combines beautifully with many Ann Sacks stones. It can be extremely versatile and used as a field tile or cut into a border to complement any stone.

Safari Mosaic in Bianco Nero

RECOMMENDED USE

- Suitable for all indoor wall and flooring applications
- Suitable for installation on shower walls
- Outdoor use subject to climate and method of installation
- Please see Ann Sacks slip resistance and wet flooring application statement to determine usage in a wet area

wall floor shower wall high-traffic outdoor

INSTALLATION AND MAINTENANCE

- Install per industry standards for natural stone mosaics
- Always inspect material prior to installation — installed material cannot be accepted for return or credit
- Always lay out material prior to installation to properly blend and balance color
- It is recommended to seal with a penetrating sealer before and after grouting
- Periodic cleaning and resealing is recommended using products formulated for natural stone
