

# Calacatta Lincoln

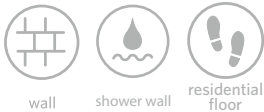

Quarried in Colorado, Calacatta Lincoln is a beautiful white marble with distinct charcoal-grey veining. The exquisite marble is the same that was used to build the Lincoln Memorial, which is how it received its honorable name.

## INSTALLATION AND MAINTENANCE

- Install per manufacturer's installation instructions
- Since this is a moisture-sensitive marble, it is strongly recommended that a rapid-set thinset or epoxy-based thinset be used during installation
- Always inspect material prior to installation — installed material cannot be accepted for return or credit
- Always lay out material prior to installation to properly blend and balance color
- It is recommended to seal natural stone with a penetrating sealer
- Periodic cleaning and resealing is recommended using products formulated for natural stone
