Outdoor Stones

Ann Sacks is bringing an offering of stones suitable for outdoor installations: Corton Beige, Lave Grise and Pistache. These stones are the ideal material to be used in hard landscaping, pool and patio areas, driveways and walkways.

Corton Beige

RECOMMENDED USE

- Suitable for outdoor flooring applications
- Outdoor use subject to climate and method of installation; material not affected by freeze/thaw
- Please see Ann Sacks slip resistance and wet flooring application statement to determine usage in a wet area

INSTALLATION AND MAINTENANCE

- Install per industry standards for natural stone
- Always inspect material prior to installation — installed material cannot be accepted for return or credit
- Always lay out material prior to installation to properly blend and balance color
- It is recommended to seal natural stone with a penetrating sealer
- Periodic cleaning and resealing is recommended using products formulated for natural stone
