

# Terossa

Terossa is a terra cotta tile collection decoratively inlaid with waterjet cut pieces of marble or limestone. The handcrafted designs also feature an antiqued finish that heightens the stones' warm colorations producing a tile that resonates with Old World character. Exclusive to Ann Sacks, Terossa is offered in four distinctive designs and in a variety of stone configurations.

Piramadi Red Marble

## RECOMMENDED USE

- Suitable for all indoor wall and light/medium flooring applications
- Not suitable for wet areas
- Not recommended for outdoor use in freeze thaw climates
- Outdoor use subject to climate and method of installation

## INSTALLATION AND MAINTENANCE

- Please install in either mortar bed or with polymer modified thin set
- Please refer to manufacturers installation and maintenance guidelines
- Always inspect material prior to installation - installed material cannot be accepted for return or credit
- Always lay out material prior to installation to properly blend and balance color
- Tiles are not pre-sealed, and it is recommended to seal the tiles before grouting
