

Laurelhurst

A study in the warmth and natural shade of the color beige and the soft and versatile nature of the color white, the Laurelhurst collection is interpreted through a stone look in a variety of finishes and sizes. Combining these artfully crafted elements and surface movements, Laurelhurst was designed to be mixed and matched. The result is a collection that provides a contemporary framework for an array of opportunities, ideal for both residential and commercial spaces, indoor and outdoor projects.

24"x48" Natural in White

COLLECTION

RECOMMENDED USE

- Suitable for indoor and outdoor wall and flooring applications, including commercial
- Suitable for installation on shower walls
- Suitable for high temperature areas such as behind ranges and fireplace surrounds
- Outdoor use subject to climate and method of installation
- Material is not affected by freeze/thaw
- Suitable for submerged areas such as pools or fountains
- Formats and finishes have varying degrees of DCOF test results, though all pass the minimum requirement
- Testing data available upon request
- Please see Ann Sacks slip resistance and wet flooring application statement to determine usage in a wet area

INSTALLATION AND MAINTENANCE

- Install per industry standards for ceramic tile
- Always inspect material prior to installation — installed material cannot be accepted for return or credit
- Always lay out material prior to installation to properly blend and balance color
