

Alyssa

Hailing from Greece, Alyssa is both a marble of sophistication and depth offering an exceptional option for interiors. Its sparkling, softly-honed face broken by light grey mottling adds unique variation and visual movement for a neutral backdrop.

INSTALLATION AND MAINTENANCE

- Install per TCNA handbook for natural stone
- We recommend that you use a white thinset with this stone as it is translucent
- Always inspect material prior to installation, installed material cannot be accepted for return or credit
- Always lay out material prior to installation to properly blend and balance color
- It is recommended to seal natural stone with a penetrating sealer
- Periodic cleaning and resealing is recommended using products formulated for natural stone
