

Rake

Inspired by traditional Japanese exterior cladding first used centuries ago, Rake offers a clean textured aesthetic for residential or commercial interior spaces. Available in four neutral color ways, Rake can be used seamlessly across all designs - from traditional to contemporary.

RECOMMENDED USE

- Suitable for all indoor and outdoor wall applications
- Not recommended for flooring as ribbed texture may chip
- Suitable for use in wet areas such as showers. Not suitable in submerged areas such as pools or fountains.
- Suitable for high temperature areas such as fireplaces, behind ranges or pizza ovens so long as temperatures do not exceed 500 degrees F.
