

Dei Grigio

Dei Grigio is a unique new travertine that hails from the Tuscan region of Italy and dates back 2.58 million years to the Pleistocene age. Its surface is randomly mottled by small pools of mineral deposits and other slight demarcations, giving the tile the appearance of terrazzo. The grigio color adds a cool sophistication to any indoor or outdoor space.

INSTALLATION AND MAINTENANCE

- Install per industry standards for natural stone
- Always inspect material prior to installation — installed material cannot be accepted for return or credit
- Always lay out material prior to installation to properly blend and balance color
- It is recommended to seal natural stone with a penetrating sealer
- Periodic cleaning and resealing are recommended, using products formulated for natural stone

COLLECTION

Field	16"x16" (15.748" x 15.748" x 0.551") 12"x24" (12.008" x 24.016" x 0.551")
Slab	30"x72" (30.000" x 72.008" x 0.787")
