

# MADE Vistas

Handcrafted in our Portland, Oregon factory, MADE Vistas is the latest MADE by Ann Sacks stoneware collection. Inspired by the proportional scale of Mid-Century Modern design, Vistas uses the layering of two glazes on a single 3"x9" tile to create a two-tone effect. Vistas is available in three distinctive styles — Half Horizontal, Half Vertical and Quarter Vertical — as well as a curated color palette. Mix and match two-tone designs or pair with a solid 3"x9" field tile to create a beautiful, modern tile statement in your home.
