

Calacatta Zebrino

Calacatta Zebrino is from the Carrara mountain range, which produces some of the most coveted marbles in the world today. Used for centuries by sculptors and selected to grace the interiors of magnificent cathedrals and stately homes and castles of the past, these marbles remain a timeless choice for residential and commercial projects.

RECOMMENDED USE

- Suitable for indoor floor and wall applications
- Please see Ann Sacks slip resistance and wet flooring application statement to determine usage in a wet area
- Outdoor use subject to climate and method of installation

shower wall

residential floor

wall

INSTALLATION AND MAINTENANCE

- Install per TCNA handbook for natural stone
- Always inspect material prior to installation, installed material can not be accepted for return or credit
- Always lay out material prior to installation to properly blend and balance color
- It is recommended to seal natural stone with a penetrating sealer
- Periodic cleaning and resealing is recommended using products formulated for natural stone
