

Bar-On Studio

Handcrafted in Israel, our Bar-On Studio concrete collection features a softly honed surface and organic texture that is created during the pouring and curing process. Offered in a multitude of formats and natural colorways that create a distinctive wall installation when combined. The dimensional formats may be installed with back illumination to create a dramatic impression for interior spaces.

INSTALLATION AND MAINTENANCE

- Install per manufacturer's installation instructions
- Always inspect material prior to installation — installed material cannot be accepted for return or credit
- Sealing tiles is recommended if used in an area exposed to moisture, such as a bathroom or kitchen backsplash
- Specification and installation of lighting behind Pas Deco, Spade or Willow should be determined by a licensed electrician
- It is recommended to use a metal saw to cut the brass
- Damp towel recommended to care for and clean the brass
- Recommended number of LED strips per tile
 - Pas Deco: One strip of 70 cm, centered, 4 cm from the top of the tile (LED volume 10-15 watts)
 - Spade: One 5 cm strip
 - Willow: Two 20 cm strips
