

# Arcilla

A handmade tile crafted in Spain, Arcilla updates the standard subway tile currently seen in the marketplace with an undulating surface and fresh and of the moment color palette. Designed at a price point to make it an exceptional choice for large scale commercial and residential installations, Arcilla is also an inventoried collection to ensure timely turnaround no matter the project size.

## INSTALLATION AND MAINTENANCE

- Please reference the TCNA handbook for installation of ceramic tile
- Clean with a sponge or soft cloth using only neutral liquid soaps. Do not use cleaning products that contain hydrochloric acid, citric acid and/or potassium hydroxide
- Recommended to seal tile and grout, especially in wet area installations, for ease of maintenance
- Always inspect material prior to installation, installed material cannot be accepted for return or credit
