

Arcilla

A handmade tile crafted in Spain, Arcilla has an undulating surface and a fresh, contemporary color palette. Designed at a price point to make it an exceptional choice for both large-scale commercial and residential installations, Arcilla is also an inventoried collection to ensure availability no matter the project size.

INSTALLATION AND MAINTENANCE

- Install per TCNA Handbook for ceramic tile
- Always inspect material prior to installation — installed material cannot be accepted for return or credit
- Always lay out material prior to installation to properly blend and balance color
- Clean with a sponge or soft cloth using only neutral liquid soaps. Do not use cleaning products that contain hydrochloric acid, citric acid and/or potassium hydroxide
- Sealing tile and grout is recommended, especially in wet area installations, for ease of maintenance
- Select testing data available upon request
