

Parquet

Parquet porcelain tiles mimic the natural look and feel of hand-planed wood. Parquet tiles have an unpretentious beauty that lends any space an atmosphere of beachy breeziness. There is a raw appeal to the varying wood grain, and the gently undulating surface feels authentic and well-worn. Unlike anything else on the market, Parquet combines a classic, well-loved look with a very modern utility.

RECOMMENDED USE

- Suitable for indoor wall and flooring applications
- Outdoor use subject to method of installation, material not affected by freeze/thaw
- Testing available upon request
- Please see Ann Sacks slip resistance and wet flooring application statement to determine usage in a wet area
