

# Davenport

Beautiful in its simplicity, Davenport is the perfect workhorse for your basic projects. A livable palette and a variety of sizes and trims at an affordable price point make this collection an Ann Sacks essential.

## RECOMMENDED USE

- Suitable for all residential interior vertical applications
- Light use counters
- Light to medium use indoor flooring, preferable powder rooms and baths (gloss glaze may scratch in high traffic or where grit from shoes is prevalent)
- Crackle glaze should be sealed and is not recommend for wet areas.
- Wet areas should be sealed to protect grout and reduce moisture penetration through grout
- Please see Ann Sacks slip-resistance and wet flooring application statement to determine usage in a wet area

residential floor

## INSTALLATION AND MAINTENANCE

- Install per TCNA Handbook for ceramic tile
- Always inspect material prior to installation — installed material cannot be accepted for return or credit
- Always lay out material prior to installation to properly blend and balance color
- Recommended to seal tile and grout for ease of maintenance, especially in wet areas or where grout may come into contact with staining agents
