

# Pearl

A sister stone to our St. Petersburg limestone, Pearl offers a lighter shade and clearer complexion, showing subtle surface movement. This stone is very hard and suitable for a variety of installations.

## RECOMMENDED USE

- Suitable for all indoor wall and medium duty flooring applications
- Outdoor use subject to climate and method of installation
- Please see Ann Sacks slip resistance and wet flooring application statement to determine usage in a wet area

floor wall shower wall outdoor

## INSTALLATION AND MAINTENANCE

- Please reference the TCNA handbook for installation of stone tile ([www.tcnatile.com](http://www.tcnatile.com))
- Always lay out material prior to installation to properly blend and balance color
- It is recommended to seal natural stone with a penetrating sealer
- Periodic cleaning and resealing is recommended using products formulated for natural stone
