

# Pewter

Pewter is a modern silver-grey limestone that works beautifully in both warm and cool environments. A broad selection of shapes and sizes are available for ultimate flexibility, including some wonderful textural patterns such as basketweave.

## RECOMMENDED USE

- Suitable for all indoor wall and flooring applications.
- Outdoor use subject to climate and method of installation
- Please see Ann Sacks slip resistance and wet flooring application statement to determine usage in a wet area

## INSTALLATION AND MAINTENANCE

- Please reference the TCNA handbook for installation of stone tile ([www.tcnatile.com](http://www.tcnatile.com))
- Always lay out material prior to installation to properly blend and balance color
- It is recommended to seal natural stone with a penetrating sealer
- Periodic cleaning and resealing is recommended using products formulated for natural stone
