

# Palladium

Palladium offers a travertine with a truly beautiful though unusual coloration. From the Tuscany region of Italy, famous for its travertine, this stone features a warm silver cream with a soft blue grey ribboned veining pattern.

12"x20" Field

## RECOMMENDED USE

- Suitable for all indoor wall and flooring applications
- Suitable for installation on shower walls
- Outdoor use subject to climate and method of installation
- Please see Ann Sacks slip-resistance and wet flooring application statement to determine usage in a wet area

wall

shower wall

residential floor

## INSTALLATION AND MAINTENANCE

- Install per industry standards for natural stone
- Always inspect material prior to installation — installed material cannot be accepted for return or credit
- Always lay out material prior to installation to properly blend and balance color
- It is recommended to seal natural stone with a penetrating sealer
- Periodic cleaning and resealing is recommended, using products formulated for natural stone
