

Paccha by Popham Design

Paccha by Popham Design celebrates the traditional and local craftsmanship of Morocco by employing age-old techniques for creating encaustic tiles and blending them with a fresh, modern aesthetic. Handmade by skilled artisans in Marrakech, Paccha by Popham Design designs take their aesthetic cue from life in Morocco. Inspiration comes from the region's stunning geometric architectural motifs and from indoor-outdoor living which is a way of life in the Medina.

- Suitable for all indoor wall and flooring applications
- Outdoor use subject to climate and method of installation
- Caution recommended for use in wet areas as exposure to moisture can cause efflorescence
