## INSTALLATION AND MAINTENANCE

- Please reference the TCNA handbook for installation of glass tile ([www.tcnatile.com](http://www.tcnatile.com))
- Due to transparent quality, use white thinset adhesive
- Clean with a non-abrasive cleaning compound or glass cleaner (such as ammonia and water, vinegar and water.)

## IMPORTANT CONSIDERATIONS

- Trend Brillante is sold per sheet. A minimum order of one box is required per color ordered. Each box contains 10.760 SF/BX
- Mounting System - Trend products may be mounted using one of (3) systems depending upon product or usage.
- Paper Face Mount (for custom hand cut art glass), suitable for submerged applications
- Film Face Mount (most US inventory), suitable for submerged applications
- Plus System (polyurethane mesh) (Overseas inventory and custom) - Please note that the Plus system does not currently meet ASTM 137.2 standards in the US for use in a submerged application such as pools or fountains.
