

Scala

Scala marble, a breathtaking stone in its range of color and veining is unlike anything else currently in the Ann Sacks portfolio. Softly honed, the wealth of color variance moves from deep to grassy greens, slate grey and soft to midnight shades of black, broken by creamy white veining that ebbs, pools and flows throughout the dramatic field resulting in a visual effect that promises showstopping results.

Custom Slab

RECOMMENDED USE

- Suitable for all indoor wall and flooring applications
- Please see Ann Sacks slip resistance and wet flooring application statement to determine usage in a wet area
- Outdoor use subject to climate and method of installation

INSTALLATION AND MAINTENANCE

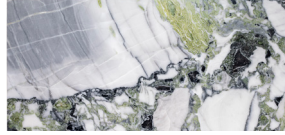

- Install per TCNA Handbook for natural stone
- This stone has an acrylic resin fiberglass mesh backing applied with an epoxy resin and may require an epoxy modified thinset adhesive
- Always inspect material prior to installation - installed material cannot be accepted for return or credit
- Always lay out material prior to installation to properly blend and balance color
- It is recommended to seal natural stone with a penetrating sealer
- Periodic cleaning and resealing is recommended when using products for natural stone

COLLECTION

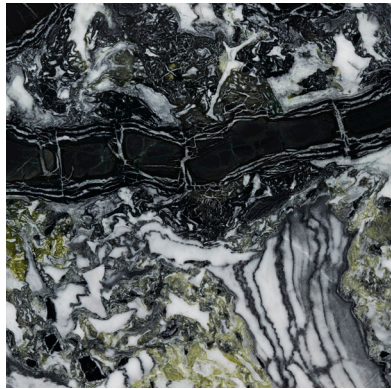

Field	4"x8" (4.016" x 7.992" x 0.394") 12"x24" (12.008" x 24.016" x 0.394") 16"x16" (15.984" x 15.984" x 0.394")
Slab	30"x72" (30.000" x 71.968" x 0.787")
