PORCELAIN

CERI 10"X24" FIELD IN RUST

Ceri

An innovative collection by German designer Sebastian Herkner, Ceri is an interplay of vertical and horizontal geometric planes and matte and gloss finishes creatively comingled to produce a textured, multi-dimensional surface reminiscent of warp and weft weaving.

10"x24" in Rust

RECOMMENDED USE

- Suitable for indoor and outdoor wall applications only
- Suitable for installation on shower walls
- Suitable for high-temperature areas such as behind ranges and fireplace surrounds
- Suitable for freeze/thaw conditions
- Not suitable for submerged areas such as pools or fountains
- Testing data available upon request

CERI 10"X24" FIELD IN WHITE AND GREY

STONE

BARDIGLIO IMPERIAL 12"X24"

Bardiglio Imperial

A rare stone from Italy, Bardiglio Imperial's bluish grey shading is loosely punctuated by deep grey to stark white veining that randomly streaks across the surface. The shades-of-grey drift across the tile face in a smoky cadence creating a dimensional, neutral backdrop, its soft coloration complementing virtually any color palette.

12"x24" Honed Finish (left), 18"x18" Old World Finish (right)

RECOMMENDED USE

- Suitable for all indoor wall and medium-duty flooring applications. High traffic areas may require additional care and cleaning
- Outdoor use subject to climate and method of installation
- Please see Ann Sacks slip resistance and wet flooring application statement to determine usage in a wet area

wall

floor

shower wall

INSTALLATION AND MAINTENANCE

- Install per TCNA Handbook for natural stone
- Always inspect material prior to installation — installed material cannot be accepted for return or credit
- Always lay out material prior to installation to properly blend and balance color
- It is recommended to seal natural stone with a penetrating sealer
- Periodic cleaning and resealing is recommended using products formulated for natural stone

Trattino

Trattino features four patterns, each a stand-alone statement in design. Its artful surface is achieved through a proprietary micro-engraving technique that does not alter the natural coloration, slight inclusions and gentle veining that carry across the limestone face.

12"x24" Cover Field in Beige

RECOMMENDED USE

- Suitable for all indoor wall and medium-duty flooring applications. High-traffic areas may require additional care and cleaning
- Outdoor use subject to climate and method of installation
- Please see Ann Sacks slip resistance and wet flooring application statement to determine usage in a wet area
