

Asher Grey

An enticing marble with a distinctive linear veining pattern, Asher Grey melds the classic luxury of marble with a modernist streamline appeal. The crystalline structure offers a light translucency of soft pale white grey with linear striping that grades from medium blue grey to dark charcoal. The pattern of the striping varies from piece to piece creating a pleasing and balanced overall visual effect.

residential floor

freeze/thaw

INSTALLATION AND MAINTENANCE

- Install per TCNA Handbook for natural stone
- Always inspect material prior to installation, installed material can not be accepted for return or credit
- Always lay out material prior to installation to properly blend and balance color
- It is recommended to seal natural stone with a penetrating sealer
- Periodic cleaning and resealing is recommended using products formulated for natural stone
