Introducing
FLASH COLLECTIONS

MADE BY ANN SACKS™

From time to time, certain colors and patterns imprint themselves on the canvas of life in ways you notice again and again. Trending, without being trendy, they form a fresh new palette that's endlessly fun to play with. In this spirit, meet Flash Colors Dusty Rose, Vert and Basil — expressed here in Flash Pattern Banana Leaf. These are our first bold strokes in a series of limited-time offerings, inspired by feedback from the design community, for beautifully timeless applications.
