

Reve Bleu

Reve Bleu (Blue Dream in French) is a beautiful Calacatta earthed from the famed Carrara Mountain in Italy. With remarkable facial movement- its creamy white background and wealth of blue and unusual grey veining broken by random wisps of brown and green, Reve Bleu displays a rare mixture of shades and nuances not commonly found in the marketplace.

RECOMMENDED USE

- Suitable for indoor wall and flooring applications
- Outdoor use subject to climate and method of installation
- Please see Ann Sacks slip resistance and wet flooring application statement to determine usage in a wet area

INSTALLATION AND MAINTENANCE

- Install per TCNA Handbook for natural stone (www.tcnatile.com)
- This stone has a resin meshed backing and may require an epoxy modified thinset adhesive
- Always inspect material prior to installation, installed material can not be accepted for return or credit
- Always lay out material prior to installation to properly blend and balance color
- It is recommended to seal natural stone with a penetrating sealer
- Periodic cleaning and resealing is recommended using products formulated for natural stone
