

Lava Calda

ANN SACKS takes a distinctive approach to basalt with our Lava Calda collection. Lava Calda is a glazed basalt that offers a wealth of varying shades of color and depth. Basalt is naturally hardened lava and considered as one of the most abundant of rock beds, making it a thoughtful, and unique choice.

Random Stick Mosaic in White Blend

RECOMMENDED USE

- Suitable for all indoor floor and wall applications
- Please see Ann Sacks slip resistance and wet flooring application statement to determine usage in a wet area
- Outdoor use subject to climate and method of installation

shower wall

residential floor

INSTALLATION AND MAINTENANCE

- Install per TCNA handbook for natural stone
- Always inspect material prior to installation, installed material cannot be accepted for return or credit
- Always lay out material prior to installation to properly blend and balance color
- It is recommended to seal natural stone with a penetrating sealer
- Periodic cleaning and resealing is recommended using products formulated for natural stone
- Metallic Black will finger print which may be cleaned with Miracle Sealants Porcelain and Ceramic Tile Cleaner
